ABOUT IEA

INTERNATIONAL EXCELLENCE AWARDS (IEA) has been created in 2020 to honor & recognize prominent organizations & personalities for their respected achievements & contribution towards social, economic & corporate fields globally. It is one of the biggest initiatives in the International Arena to search & recognize the future leaders globally across the globe for their outstanding performance and achievements in their respective fields. This honor and recognition are done through IEA Awards & IEA Book of World Records.

IEA AWARDS

IEA Awards have their focus in the Health Industry and hence have named it as IEA Health (Arogya) Awards. IEA invites the State Health Minister to present the award to those who serve the society. We also honor doers and pioneers in the Healthcare fraternity like NGO, Corporates, Hospitals, Health Educators & Healers to name a few.

Experts from various verticals across globe access the nominations which are reviewed by the team & once they satisfy the basic parameters & criteria, they are shortlisted for the award. The Entries once finalised are send to the Board Jury for consideration. The entire award process is stringently supervised by Jury Board taking care of each & every point & utmost care is taken by the research team for getting the perfect data analysis & upon the performance criteria. After getting the recognition from International Excellence Awards, it will not only raise your organisation's as well as your personal profile, but you would be emerging as a front runner globally and leaving behind your competitor's much far in the corporate world.

HONORARY DOCTORATE

IEA Join with the international crown University Int'l Chartered South America to conducted the Honorary Doctorate convocation in India and Abroad to honor them an honorary doctorate is awarded by a university to an individual who has made immense contributions to a university, a particular field, or to society. It is an extraordinary recognition reflecting a person's exceptional accomplishments or altruistic actions that benefit a nation, a community, or humanity in general.
